

# LOGIC

## PRESS RELEASE

Logic announces its upcoming tour to China, Hong Kong, Indonesia, and Lithuania featuring Glenn Cannon [guitar], Tim Wilson [saxophone], Ben Vanderwal [drums] and Dane Alderson [bass].

Logic has been making waves on the jazz/fusion/world music scene since its inception in 1999. Based in Melbourne, Australia, the ensemble aims to present its own unique, contemporary sound, whilst preserving the spontaneous and interactive approach of the jazz tradition. The compositions of Glenn Cannon and Tim Wilson stem from diverse musical influences, including jazz, drum 'n' bass, Latin, classical, folk and pop music.

Logic's self titled debut album was released in 2002 and received glowing reviews and international airplay. Since then the group has also released 'The Waiting Game' (2004), 'Native Strut' (2008), 'The Hierarchy' (2010) and is about to release its new DVD/CD 'Live' which was filmed/recorded live at Bennetts Lane Jazz Club in 2010.

The ensemble has supported international acts such as The Yellowjackets, and has performed throughout Australia and South East Asia at major jazz festivals including the Java Jazz Festival (Indonesia), Hong Kong International Jazz Festival, Nine Gates Jazz Festival (Beijing), Mosaic Music Festival (Singapore), Philippine International Jazz & Arts Festival, Jarasum International Jazz Festival (Korea), plus performances in Malaysia, Taiwan, and Thailand.

Between them, members of the group have toured, performed and recorded with various artists and ensembles including Ray Charles, Incognito, Jerry Lewis, Hugh Jackman, Michael Buble, James Morrison, Melbourne Symphony Orchestra, Mike Nock, and Bobby Shew.
