## CD LAUNCH + ASIA TOUR OCT 2010

**Logic announces the release of its new cd 'The Hierarchy' + its upcoming tour to Sydney, China, Hong Kong, Korea, Taiwan and Malaysia, featuring Glenn Cannon [guitar], Tim Wilson [saxophone], Ben Vanderwal [drums] and Dane Alderson [bass].**

Logic has been making waves on the jazz/fusion/world music scene since its inception in 1999. Based in Melbourne, Australia, the ensemble aims to present its own unique, contemporary sound, whilst preserving the spontaneous and interactive approach of the jazz tradition. The compositions of Glenn Cannon and Tim Wilson stem from diverse musical influences, including jazz, drum 'n' bass, Latin, classical, folk and pop music.

Logic's self titled debut album was released in 2002 and received glowing reviews and international airplay. Since then the group has also released 'The Waiting Game' (2004) and 'Native Strut' (2008) and is currently working on DVD and touring projects.

The ensemble has supported international acts such as The Yellowjackets, and has performed throughout Australia and South East Asia at major jazz festivals including the Java Jazz Festival (Indonesia), Mosaic Music Festival (Singapore), Philippine International Jazz and Arts Festival, Melbourne International Festival of Jazz, Electric Jazz Festival and the Ultimate Drummers' Weekend. The group has also performed in China, Hong Kong and Thailand.

Between them, members of the group have toured, performed and recorded with various artists and ensembles including Ray Charles, Incognito, Jerry Lewis, Hugh Jackman, Michael Buble, James Morrison, Melbourne Symphony Orchestra, Mike Nock, and Bobby Shew.
